-The Walhalla Comedy Company made a very pleasant trip to Seneca Tuesday evening and presented "A oble Outcast" at Stribling's Hall before a large audience. The play was rendered admirably, and was received with frequent encores. The roles assumed by the "stars" of the company, Miss Gibson, ("Miss France Lee,") and Mr. Merrick, ("Jerry the Outcast,") were carried out with the greatest case and grace. Owing to the unavoidable lack of music and other disadvantages, the programme could not be carried out in full, and the usual musical programme was almost entirely omitted. The company were delighted with the reception accorded them by the audience. The attention was unusually good. They are always pleased to entertain an audience like the one before which they appeared Tuesday evening.

Ensign A. C. Merrick.

Ensign A. C. Merrick

Mr. A. C. Merrick received this week a solid silver badge, appropriately inscribed, which calls to mind the military service he saw during the Fenian Raid in 1866. He was then a citizen of Canada and owed allegiance to the British ilag. When the Fenian Raid broke out he culisted among her Majesty's volunteer forces from Canada and held the rank of Ensign. The British Government has struck off thousands of these badges, and sent them to all the surviving soldiers as souvenirs. "Ensign A. C. Merrick" highly prizes this token of appreciation of services rendered his mother country in the days of his yeuth, even though he has long since thrown off allegiance to the British crown, and become a full-fledged citizen of free A merica. But as he is not now fighting the Filipinos it may be inferred that he would not be fighting the Boers, were he once more a citizen of Her Majesty's realm.
